April 9, 2019

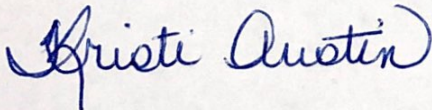

Dear 3rd – 5th Grade Parents,

In May, your child will be participating in our state's standardized testing in the form of SC READY (3rd – 5th) and SCPASS (4th – 5th). The schedule is listed below. All students will be taking the online version of the assessments. Please see the accompanying brochure(s) for additional information.

You play an important role in preparing your child(ren) for this test. First, you can help them with their emotional readiness by assuring them they know all they need to know. Next, you can help them with their physical readiness by making sure they get to bed on time, eat a healthy breakfast, and have a calm start to their day. Third, it is important that your child is present and arrives at school on time. Tardy students will not join their class until the day's testing is complete and will have to take their test at another time. Students cannot be called out of class once testing begins, so please do not schedule any appointments before 1:00 on these days.

If you have any questions about the testing process, please contact your child's teacher or Lisa Rix at 857-3200. With your help, this can be a positive and rewarding experience for your child(ren). Thank you for being the Best Parents in the Universe!

Sincerely,

Kristi Austin, Principal
